

**Areas That Could Be Enhanced By Adding
Developmental Foundations To Your Current Approach To Education**

Enhancement Areas	Developmental Foundations Activity / Activities Addressing this Objective	Typical Time Required To Meet the Objective
Word Recognition improved by 6-12 months	Echo Reading, ADS Auditory Digit Spans, Visual Digit Spans	4 months
Reading Comprehension improved by 6-12 months	Echo Reading, ADS Auditory Digit Spans, Visual Digit Spans, Books on tape	4 months
Vocabulary – expanded	Echo Reading, Books on tape	4-12 months
Developing Conceptualizing Skills	Auditory Digit Spans	4-12 months
Math Computation ability improved by 6-12 months	Math w/ 50% Input, Rapid Recall, Visual Digit Spans	4 months
Immediate recall of Addition Math Facts	Rapid Recall	3-4 months
Ease of Learning Multiplication Facts	Skip Count CD	4 months advanced levels of 11-20 add another 4-6 months
Ability to use previous or future phonics instruction	Auditory Digit Spans Books on Tape	4-12 months depending on processing level when beginning the program
Increased Attention Span	Auditory Digit Spans Gross Motor activities Log Roll	4-12 months
Advanced Sentence Structure	Auditory Digit Spans Books on Tape Echo Reading	4-12 months
Improved Syntax	Books on Tape	4 -12 months
Sentence Length – both written and spoken	Auditory Digit Spans	4-12 months
Proprioception (where you are in space)	Deep Pressure, Tactile Gloves, Log Roll, Fast Walk	4-18 months

Enhancement Areas Continued

Enhancement Areas	Developmental Foundations Activity / Activities Addressing this Objective	Typical Time Required To Meet the Objective
Fine Motor Control	Hand Extensions, Button Tug of War, Deep Pressure	4-6 months
Appropriate Pencil grasp	Hand Extensions, Button Tug of War, Deep Pressure	4-8 months
Gross Motor Development	Deep Pressure, See Saw, See Saw Reverse, Crawl, Creep, Walk	4-6 months
Coordination	Deep Pressure, See Saw, See Saw Reverse, Crawl, Creep, Walk	4-12 months
Muscle Tone	Deep Pressure, See Saw, See Saw Reverse, Crawl, Creep, Walk	4-12 months
Auditory Processing Ability improved ½ to 1 year	Auditory Digit Spans Books on Tape	4 months
Visual Processing Ability improved ½ to 1 year	Visual Digit Spans	4 months
Hypo or Hyper Sensitivity to Light Touch	Tactile Gloves	4-12 months depending on the severity of the symptoms
Lower Level Brain Organization	See Saw, See Saw Reverse, Crawl, Creep, Walk
